Referencia

The **record K 21** is a 2 wing revolving door. The standard model comes equipped with two integrated display cases and automatic sliding door, but it can also be ordered with a fixed segment, integrated two-way swing door, and without a display case. The **record K 21** model has unique safety standards, thanks to its radial sliding leaves. Particularly attractive is the compact design of the canopy structure, which is just 330 mm high.
